Renaming_your_Classes

Classes in your Planbook file can be renamed by editing their display in the left side sidebar.

To edit your class names:

1. Be sure you're looking at your class names in the left side sidebar.

1
2

2. Double click the name of the course. The course name will change to an editable form.

Courses Physics	Hide
AP Physics	2
Chemistry	۷

3. Type your new course name and press the return key. The course name will change.
